To whom it may concern,

Mr. PELIN Ionel-Emanoil worked for the “FPSO Conkouati Major Repairs Project” of our company from 28 august 2011 till 20 october 2013 , as a member of FPSO Conkouati.

In particular Mr.PELIN Ionel-Emanoil was a Naval Architect/Steel Superintendent, member of the staff of “FPSO Conkouati Major Repairs Project” and his duties included: prepare technical documents(Scope of Work), set up meetings with FPSO staff and sub-contractors; provide to Project Manager the necessary reporting documents regarding the work progress, manpower allocation, envisage schedule for lifting operation. Provide leadership and direction to the entire teams, set the safety standards and example for the entire teams. Evaluate / comments work performed by the sub-contractors to ensure that the work is being executed in accordance with project specifications, Company standards and regulatory requirements.

I appreciate to mr. PELIN Ionel-Emanoil his technical skills, strong professional knowledge and the team spirit; also mr. PELIN Ionel-Emanoil had always excellent relations with Class surveyors, FPSO staff & crew and maintained very good cooperation and understanding with sub-contractors and he was respected by all peoples involved in“FPSO Conkouati Major Repairs Project” .

Sincerely ,

Richard Jamin
